

# Ephesians: Unsearchable riches of Christ

---

## Signs of Life (Eph 4:25-32)

**Main lesson:** A change from sinful behaviour to holy living is not only possible, but expected, on the basis of our new life in Christ

### Introduction

#### Sign 1: Exchange lying for truth telling (v. 25)

*1) Because God hates lying*

*2) Because liars go to hell*

*3) Because lying displays the devil's character*

*4) Because we are God's holy community*

*5) Because "we are members one of another"*

#### Sign 2: Exchange sinful anger for righteous anger (vv. 26-27)

Three marks of righteous anger:

*1) Righteous anger is angry at actual sin*

*2) Righteous anger focuses on God*

*3) Righteous anger is expressed in a godly way*

### Conclusion
